# 9<sup>th</sup> Annual Friends of Science Luncheon

Featuring Donna Laframboise, Author, Investigative Journalist

**The UN's Climate Change Panel: Activist and Untrustworthy**

Is the Intergovernmental Panel on Climate Change an unbiased, rigorously scientific body? Or is it run by eco-activists with a political agenda?

Donna Laframboise is author of “**The Delinquent Teenager Who was Mistaken for the World’s Top Climate Expert**”, an expose of corruption at the Intergovernmental Panel on Climate Change. Hear the shocking details of how you end up paying for carbon taxes that only exist thanks to the lack of scientific method and debate at the highest levels.

Check out Donna’s website: [noconsensus.org](http://noconsensus.org)
